Subject:	update to Nigeria briefing

Mr. Prime Minister:

Per your request, our analysts have compiled a brief update to our Nigeria report, focusing on major political, economic, and security developments that have occurred since July. This memo merely provides an overview of these issues; if you would like additional detail or insight on any of the topics, we can certainly provide it.

We also built an organizational chart of Nigeria's national security entities, per an earlier request.

Please let us know if you have any questions or if we can provide additional information. Best of luck on your trip and I look forward to meeting you in New York later this month.

Best,
Evan
